

CSR CORPORATE SOCIAL RESPONSIBILITY

Choose Healis as a CSR Implementing Partner

Become a Healis Corporate partner and join us in building healthy India through investing in Preventive Healthcare / Public Health Projects. Preventive healthcare directly improves health, well-being and productivity of community/population, families and individuals, and promotes equity by benefiting most the disadvantaged and marginalised groups.

GOOD HEALTH AND WELL-BEING

Healis as an implementing agency for CSR projects

Focused on activities notified under Schedule VII of CSR section 135 of the Companies Act

To directly and indirectly improve the health of fellow citizens, especially the socially and economically marginalised groups

To support projects on scientific research and studies, implementation research, and awareness programs towards improvement of health outcomes

DONATE

All Donations / Contributions made to Healis Sekhsaria Institute for Public Health by Indian Passport Holders are eligible for tax deduction of 50% u/s 80G of the Income Tax Act 1961. For any queries, write to us at accounts@healis.org or call on +91-22-40025146.

To Make
The Difference
Globally In
Public Health

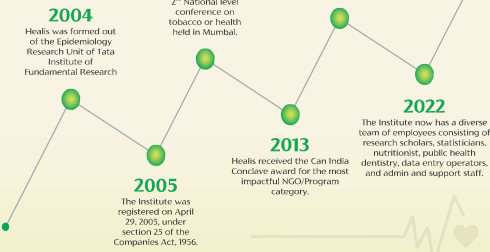

ENSURE HEALTHY LIVES AND PROMOTE WELL-BEING FOR ALL AT ALL AGES

About Us

Healis Sekhsaria Institute for Public Health is a Non-profit Organization that aims to advance public health in India by undertaking timely high quality population based epidemiological research since 2004.

The Journey

What we Do...

Vision

To Make Difference Globally in Public Health Through Excellence in Research, Learning, Teaching and Capacity Building

What Sets us Apart

Over 250+ publications in internationally and nationally acclaimed public health journals.

One of the very few organizations in India solely dedicated to public health research

Recognized as a 'Scientific and industrial research organization' (SIRO) by the Ministry of Science and Technology, Govt. Of India

Clearance under Foreign Contribution Regulation Act (FCRA)

Capability of end-to-end project planning and delivery

Institutional Ethics Committee (IEC) is registered with the National Institutes of Health and has Federal Wide Assurance (FWA).
